

**Title of the Practice:**

1. Boosting Entrepreneurship skills
2. Dedicated services towards Nature and Environment

**Objectives of the Practice:**

1. To encourage and motivate students for start-ups, self-employment, generation of resources and development of attitude for self-dependence
2. To develop inclination towards nature and environment for sustainability

**The Context:**

1. When unemployment is on rise, self-employment can be a viable alternative which will encourage creativity, novelty and boost self-confidence.
2. In view of floods and other natural calamities, nature friendly initiatives must be nurtured for the sake of human survival and sustainability.
