

Annual Report of the Institution

The academic session 2020-21 was affected by the pandemic. Yet the college staff faced the grim situation bravely and boldly. According to the prevailing circumstances most of the activities had to be organized through online mode. The syllabus was completed by all the teachers through online teaching. Not only this the university examinations of regular and ex-students were conducted by the college. The activities organized by the teaching departments and different cells/committees are mentioned below.
