16. Tree Plantation Drive:

Rotaract Club of Santaji Mahavidyalaya Nagpur, like every year, organized its annual 'Tree Plantation Drive'. This year the students could not gather at one place due to the pandemic limitations but they enthusiastically planted the saplings at their respective homes and nearby local area. The date for tree plantation was not fixed and the members planted the trees according to their suitability in the months of April and May, 2021. Some of the Rotaractors successfully encouraged the neighboring people and locals also to participate in their drive against deforestation. Finally, on 22nd May, 2021 Rotaractors Pranav Gorle and Shantanu Gade, B.Sc. Final year students of the college actively presented a PowerPoint Presentation on IMPORTANCE OF TREE PLANTATION to encourage their fellow students via a YouTube video shared on college YouTube Channel: <https://www.youtube.com/watch?v=qSYUaJcIXdg>. Pranav Gorle in his presentation talked about those plants which can be planted in gardens or open space and those which can be planted in pots so that sufficient amount of oxygen is generated around us. He also suggested suitable time for plantation and how to nurture the plants. He further talked about climatic changes due deforestation also. 10 Rotaractors were involved in the overall activity and efforts of the Rotaractors were highly praised by fellow students and staff of Santaji Mahavidyalaya.
