Department of Microbiology

Report of e-Workshop

e-Workshop was conducted at Santaji Mahavidyalaya, Nagpur in the laboratory of Department of Microbiology on 17th March 2020 on preparation of Herbal Hand Sanitizer. This workshop was conducted for awareness of prevention of COVID-19 infection and proper sanitization against COVID-19 infection for the students of B.Sc Part I, II, III and M.Sc Part I. Total seven teaching staff members were present during the e-workshop. The e-workshop was conducted online due to circular of state-wise declaration of holiday for students as preventive measures for COVID-19. The video and presentation of e-workshop were uploaded on Google classroom. The Herbal Hand Sanitizer was prepared by using following ingredients as follows:

25 ml of Aloe Vera gel was mixed with 50 ml of Ethanol/spirit. This was mixed thoroughly. To this mixture few drops of clove oil was added. This mixture was then filtrated by using sterile filter paper. The filtrate then obtained was aseptically collected and stored in small storage bottles for further use.
