ANTI-RAGGING POLICY

1. Introduction:

1.1. Santaji Mahavidyalaya, Nagpur promotes the healthy and cordial academic and social atmosphere in the college campus. The care is taken to understand the diverse cultural, social, economic and religious background of the students and not to discriminate any on the basis of these aspects. The institution strives for the student's social integration irrespective of their background. The college considers 'Ragging' as a social menace and zero tolerance policy towards it has been adopted by the institute. Keeping in mind the need to curb the ragging incidents in the college campus, a balanced 'anti-ragging policy' is adopted by the college to make it an institute with safe and healthy academic atmosphere for all students.
